Dear Bobby:

I am sure you will be interested in these pictures of Father Payton's recent appearance in Bogota. I am not sure that a million people turned out as reported, but even if it was only half a million, it will have its effect. When you have finished with it, please send the brochure back to me.

With regards,

Dear Bobby:

Last night I received the "new" Nixon book and attach photostat copies of pages 353, 354, and 355. I think you will find the footnote on page 354 of interest. Except for the addition of the footnote, there are no other changes.

Sincerely,

John A. McCone
